SECURITY

More than just a door

Quality of Life

Warrior Doors are
specialist designers,
manufacturers, and
installers of high
security doors.

We have designed and installed some of the highest quality security doors for numerous clients. Combining a high level of visibility required for customer convenience, with entry and exit control to provide security and peace of mind for staff, a Warrior Door ensures peace of mind with safety and security.

PROVIDING **HIGH SECURITY**
DOOR SOLUTIONS SINCE 1997

A Warrior Door will not earn
you a penny, but will **protect**
every penny you earn!

We understand what is important to you....

- ♥ Discrete, dependable crime prevention systems
- ♥ Security for your staff, customers and property
- ♥ High Visibility into your retail premises
- ♥ Convenient and controlled entry and exit for your customers

What we will do for you....

Project Management – Design – Manufacture – Installation – Guarantee

Testimonials...

“When I passed by the AP boutique in Paris and saw the job fully completed, I thought: ‘what a door’. It is enormous, and moves like a feather. Congratulations to Warrior Doors, I am very impressed by the final result.”

Tyl Vergriete, Creative Director

“We’ve felt much safer since then and the doors are brilliant. We’ve recommended them ever since to all the jewellers we know because they have made a real difference. We feel safer.”

JAI Jewellers, Owner

WHY CHOOSE US?

Assest Protection
